

YOU HELP OUR KIDS KNOW THEY ARE VALUED & LOVED

OUR MISSION

TO RESTORE THE IDENTITY OF CHILDREN SO THEY CAN REALIZE THEIR GREAT VALUE & BE A BLESSING TO OTHERS

OUR VISION

TO INSPIRE & FACILITATE GENERATIONAL CHANGE THROUGH CHILDREN

Young people from difficult, traumatic, often impoverished situations with a history of abuse & neglect

Our specialty is kids who are more challenging to find a home for, such as sibling groups & older teens

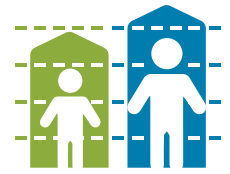

Primarily children removed from their homes by the foster care & judicial systems, ages 5 - 18+

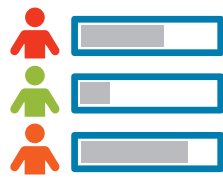

The length of stay is based on a child's needs: a few months to many years

We intentionally seek out each child's needs, gifts & passions to provide opportunities for growth & a new identity to cling to

Our unique after-care program gives guidance & assistance to post-high school kids as they grow into adulthood

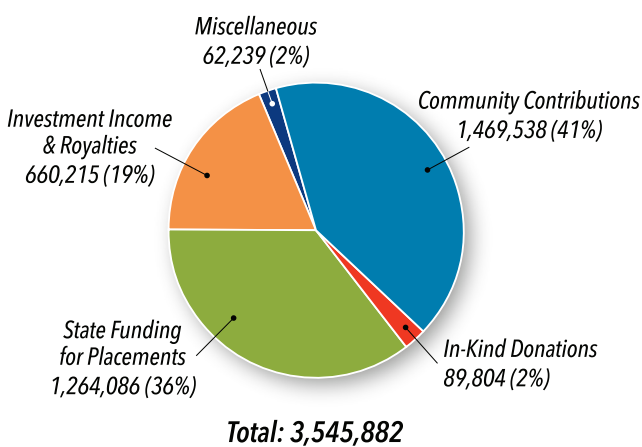

We are highly adaptable: quick to respond & swift to implement new methods to best serve each young person who comes to us

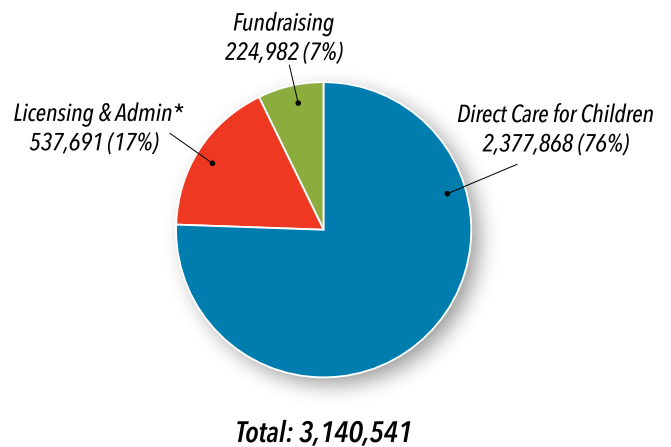

WE HOPE YOU'LL PARTNER WITH US.

****Note: Investment Gains (or Losses).**

Over its history, ACH has received some larger one-time gifts, many of which were restricted by the donors to be held in perpetuity or for specific purposes. ACH uses the income from these funds to help cover annual operating costs.

Investment values go up and down based on market conditions. Because of market volatility, ACH does not spend its Investment Gains, which can vary widely from year to year. Instead, ACH uses a 5-year average market value to smooth out highs and lows, and spends a conservative percentage annually.
